**\*\*\* All loans must adhere to VA guidelines except where noted \*\*\***

## Guidelines

After consideration of all factors outlined in Circular 26-19-13 for VA and GNMA, Homebridge's position on the VA 100% financing option is:

- **Loan Amounts from \$0 - \$144,000 – OR – Any Loan Amount Where The Veteran Has Only Partial Eligibility**
  - Maximum loan amount is calculated as was done previously, based on the **2026** Freddie Mac Conforming Loan Limits. The Note Date must be on or after January 1<sup>st</sup>, 2025.
  - These loans are subject to the Freddie Mac county-by-county loan limit list. All property types, including 2-4 units, will be subject to the 1-unit county limit where the property is located.
- **Loan Amount from \$144,001 - \$2,000,000 – AND – The Veteran Has Full Eligibility**
  - Refer to the below chart for maximum loan amount and FICO requirements (**NOTE:** this chart applies to all loan amounts and LTVs for VA – not specific to 100% financing)
  - For 2-4 unit properties, the applicable 2-4 unit county limit can be utilized, based on the property's location (no longer restricted to the 1-unit county limit, as noted above for loans ≤ \$144,000).

|        | 580+ FICO   | 680 FICO                  | 700 FICO                   |
|--------|---|---------------------------|----------------------------|
| 1 unit | \$1,249,125   | \$1,249,126 - \$1,400,000 | \$1,400,001 - \$2,000,000* |
| 2 unit | Applicable 2-4 Unit Conforming Limit Only (By County) |                           |                            |
| 3 unit |   |                           |                            |
| 4 unit |   |                           |                            |

### General Requirements:

- The Credit Score overlay is based upon the “total” loan amount
- When the borrower or co-borrower has a credit score, the minimum FICO score is 580 – subject to the loan amount restrictions above.
- When the borrower or co-borrower has NO score, they must build alternative credit following VA guidelines.
- For transactions 580-639 FICO, refer to the rate sheet for LLPAs
- All loans must have a minimum 25% guarantee.
- \*1-unit properties have a maximum loan amount of \$2,000,000, subject to the credit score restrictions noted above.
- 2-4 unit properties are limited to the specific County loan limit for loans > \$144,000 AND the Veteran has full eligibility. The loan limits noted in the above chart are the “ceiling” and not necessarily the limit for the subject property's county. Refer to the County-by-County list for the specific conforming limit for the subject property:
