**Guidelines**

**Homeownership Education & Housing Counseling**

- To satisfy the homeownership education requirement, FNMA permits any qualified third-party provider, independent of the Seller and Homebridge, to administer homeownership education. The provider’s content must be aligned with NIS or HUD standards. The education may be delivered in various formats (in-person, Internet, via telephone, or a hybrid format). In lieu of homeownership education, the borrower may receive housing counseling.
- The Seller must confirm the course content is aligned with NIS or HUD standards and must retain a copy of the certificate of course completion in the loan file.
- Housing counseling must be provided by a HUD-approved agency and meet HUD standards for the delivery of this service. The following requirements apply when counseling is obtained to satisfy the homeowner education requirement above:
  - If a borrower opts to work with a housing counselor, completion of housing counseling prior to closing will also satisfy FNMA’s homeownership education requirement. The lender must retain a copy of the certificate of course completion in the loan file.
  - HomeReady borrowers who complete housing counseling within 12 months prior to closing may be eligible for a loan-level price adjustment credit. For the LLPA credit to be applied
    - the Housing Counseling data must be submitted to DU, and
    - the loan must be delivered with SFC 184.

## Guidelines

### Very Low Income Purchase (VLIP) LLPA Credit

#### Effective for loans delivered into MBS on or before February 1<sup>st</sup>, 2026

To address some of the barriers to entry for very low-income borrowers, FNMA is temporarily offering a \$2,500 LLPA credit to certain eligible HomeReady borrowers who meet the below requirements.

#### Borrower and Loan Eligibility Requirements

- The loan must be an eligible HomeReady purchase loan underwritten in Desktop Underwriter (DU)
  - Manually underwritten loans are not eligible for HomeReady
- The borrower(s) must have total qualifying income less than or equal to 50% of the applicable area median income (AMI) limit for the subject property's location.
- The full amount of the credit must be provided directly to the borrower through the transaction, such as being applied to down payment and closing costs, including escrows and mortgage insurance premiums.
- The credit may be used to satisfy the 3% minimum contribution for all loans secured by one-unit properties or loans secured by two- to four-unit properties with LTV ratios less than or equal to 80% – all additional funds must comply with the Fannie Mae requirements for source of funds.
  - For loans secured by two- to four-unit properties with LTV ratios greater than 80%, the credit may be applied to down payment after the 5% minimum contribution is met in accordance with Fannie Mae guidelines
- **Note:** If the borrower is not eligible for the VLIP credit, the loan must be reworked so that the borrower achieves eligibility. Otherwise, the loan must be **rejected**, and reapplied (without the VLIP under a different loan number (with no VLIP credit)).

#### Loan Delivery Requirements

- The loan must be delivered with the following Special Feature Codes:
  - 900 HomeReady loan, and
  - 884 HomeReady VLIP LLPA Credit
- Instructions for how to reflect the funds in DU and delivery systems can be found in the [HomeReady VLIP LLPA Credit Job Aid](#).
